 - Automotive/Diesel & Industrial Technology + Ford FACT
- UTI-Houston awards the following diplomas:
 - Collisions Repair & Refinish Technology, Collision Repair & Refinish Technology + Estimating
 - Welding Technology
- UTI-Houston has approximately 100 employees.

Core Programs

The Automotive Technology program teaches students how to diagnose, maintain and repair domestic and foreign automobiles.

The Diesel Technology program teaches students the basic knowledge and skills to diagnose malfunctions in mechanical and electrical systems, and make necessary repairs and replacements on diesel engines, commercial vehicles, and heavy equipment.

The Automotive and Diesel program provides students with every Automotive and Diesel course, giving graduates the flexibility to qualify for positions in both industries.

The Collision Repair and Refinish Technology program teaches students the skills to repair and refinish collision-damaged vehicles.

The Welding Technology program gives the hands-on training needed to prepare for a flexible career in the industries from automotive fabrication to aerospace.

Manufacturer-Specific Advanced Training (MSAT) ¹

BMW FAST TRACK – The 12-week program BMW FastTrack will develop knowledge and skills specific to BMW products that will qualify them for opportunities with BMW service departments.

Cummins Engines – The 12-week program focuses on mid-range and heavy-duty engines, and includes classroom and hands-on coursework.

Ford FACT (Ford Accelerated Credential Training) – The 15-week program teaches students about the equipment and procedures used in Ford and Lincoln service departments around the nation.

¹ Following completion of the relevant core diesel or auto program.

Accreditation

- UTI-Houston is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), which is recognized by the U.S. Department of Education.
- ACCSC has recognized UTI Houston as School of Excellence during back-to-back accreditation renewals in 2015 and 2019.

STEM

Universal Technical Institute participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering and math skills are interwoven throughout our curriculum.

Community Champions

- UTI-Houston employees and their families as well as students are actively involved in the community. Staff and students roll up their sleeves several times a year to donate blood to the Gulf Coast Regional Blood Center and participate in the annual Real Men Wear Pink campaign to raise money and awareness in the fight against cancer for the American Cancer Society.
- Employees also participate in many events for students, including Student Appreciation Days, car shows, Dyno Days, and other events to build community. Each Thanksgiving, Houston staff volunteers provide a traditional meal to students and their immediate families who are unable to go home for the holiday as well as support an annual Angel Tree to help some of their students provide a good Christmas to their children.
- UTI-Houston was named a 2022-2023 Military Friendly School – Gold level - by Victory Media.
